AT THE TALON COMPANIES, OUR MISSION IS TO PROVIDE THE MOST SOPHISTICATED SECURITY EXPERTISE IN THE INDUSTRY, HELPING INDIVIDUALS, CORPORATIONS AND COMMUNITIES TO PREVENT VULNERABILITIES AND PREPARE FOR CRISIS SITUATIONS.

The Talon Companies was founded in 1994 by retired United States Secret Service Agent Ronald T. Williams. Talon began as a specialized professional protective services and security consulting firm, for corporations and executives. Since that time, Talon has grown to encompass four distinct yet complementary entities, each providing a specialized group of services designed to meet the ever-increasing needs of its client base. Together the four Talon Companies cover the entire spectrum of professional security solutions to risks and threats faced by both the public and private sectors in the 21st. Century. These four highly specialized entities comprising the Talon Companies, offer a comprehensive suite of complementary pro-active and responsive security services, all delivered to the client through a synchronized, single source professional security service.

TALON IS A PROFESSIONAL SECURITY FIRM PROVIDING FULL SPECTRUM SERVICES

Talon Executive Services, Inc., the first of the Talon Companies, is the premiere executive protection firm in Southern California. Utilizing tactics developed by the U.S. Secret Service and the U.S. Department of State, TES remains a leader in delivering high-end EP services throughout the nation and the world. Headed by President Barry Mozian, former U.S. Army Intelligence expert, security and tactical operator, TES not only specializes in protection but is an expert at conducting internal malfeasance investigations that yield a 94% confession rate. All Talon personnel, including EP Agents, are fully licensed and insured, and are issued client-specific post orders in advance of field assignment to ensure efficacy.
